The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**CONTRACT FOR PARKING LOT SWEEPING SERVICES
(THIRD AND FOURTH DISTRICTS)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that parking lot sweeping services at County-owned/operated beaches can be performed more economically by CleanStreet than by County employees.
2. Approve award of and instruct the Mayor to execute the attached three-year contract, plus two one-year extension options, with CleanStreet for parking lot sweeping services at County-owned/operated beaches, at an aggregate annual County cost not to exceed \$171,767, and authorize the Director of Beaches and Harbors to increase the contract sum of \$171,767 by a sum not exceeding 20 percent during each contract year for additional, unforeseen sweeping services within the scope of this contract.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the contract will enable the Department to continue to obtain economical parking lot sweeping from a responsive and responsible contractor at County-owned/operated beaches. The Department previously benefited from the same

services pursuant to contract services obtained via the Department of Public Works.

The Department consistently looks for means to enhance the service it delivers to the public at Marina del Rey and County-owned/operated beaches. Maintenance of beach parking lots ensures visitors' enjoyment of beaches and other public areas and effectively sets a standard for upkeep of the privately maintained and operated concessions on the beaches that generate approximately \$2.5 million in annual County revenue.

Implementation of Strategic Plan Goals

The parking lot sweeping services provided by CleanStreet will promote and further the Board-approved Strategic Plan Goals of "Service Excellence," meeting the Departmental objective to facilitate enhanced use of County facilities, and "Fiscal Responsibility," strengthening the County's fiscal capacity by contracting for these services at a reduced cost rather than utilizing County employees.

FISCAL IMPACT/FINANCING

The annual savings from using the contractor's services rather than County staff is estimated at approximately \$117,723 as detailed in Attachment 1. The maximum annual compensation to be paid the contractor is \$171,767. To compensate the contractor if the need for additional services arises, the Director may by written notice to the contractor increase the maximum annual compensation by up to 20 percent (\$34,353) in any contract year or optional extension period. The contract allows no increase in the contractor's rate of compensation.

The cost of this contract is included in the Department's 2006-2007 proposed budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Department is requesting award of a contract to CleanStreet, which was determined to be the most responsible, responsive proposer. In addition, CleanStreet's proposed compensation for this contract was the lowest of any proposer.

The contract term is three years, with two one-year extension options that may be exercised at the Director's discretion. The contract services will commence on the date of approval by your Board.

The Honorable Board of Supervisors
July 5, 2006
Page 3

The Department has determined that the contractor complies with the requirements of the Living Wage Program (Los Angeles County Code Chapter 2.201) and agrees to pay its full-time employees providing County services a living wage.

In addition, the contract award fully complies with the mandatory Proposition A requirements contained in County Code Section 2.121.380 for the following reasons:

- Award of the parking lot sweeping services contract is cost-effective. It will save the County approximately \$117,723 annually (see Attachment 1).
- Award of the contract will not impair the County's ability to respond to emergencies.
- No confidential information is involved in the performance of the contract. Award of the contract will not result in the unauthorized disclosure of confidential information.
- Alternative services are available in the event of a default by the contractor; therefore, services will not be interrupted.
- Award of the contract will not infringe upon the proper role of the County in its relationship to its citizens.

The contract also contains the County's standard provisions regarding contractor obligations and is in compliance with all Board, Chief Administrative Office (CAO) and County Counsel requirements.

The contractor has agreed that, should it require additional or replacement personnel, it will give first consideration to qualified County employees targeted for layoff and qualified former County employees who are on a reemployment list. The contractor has also agreed to consider qualified GAIN/GROW Program participants for such employment openings.

The contract has been approved as to form by County Counsel.

CONTRACTING PROCESS

This Proposition A contract solicitation was advertised in the Eastside Sun, the Lynwood Journal, the Daily Breeze, the Culver City News, the Los Angeles Daily News, the Compton Bulletin, the Santa Monica Daily Press, the LA Watts Times and the Los Angeles Times. The opportunity was also advertised on the County's Bid Web page (Attachment 2), as well as the Department's own Internet site. In addition, notices were sent out by direct mail to a list of 77 contractors.

Two firms submitted proposals, CleanStreet and Sweeping Beauty. Both proposals met the RFP's minimum requirements and were evaluated. A three-person evaluation committee, composed of one staff member from the Department's Facilities and Property Maintenance Division and two District Managers, evaluated the proposals based on a weighted evaluation of: (1) experience and organizational resources (500 points); (2) price (350 points); and (3) references (150 points). The committee determined that CleanStreet had the ability, experience and resources to provide the Department with quality sweeping services as substantiated through its submitted proposal.

The evaluation criteria conform to the Living Wage Ordinance Implementation Plan, which requires Departments to refer any reported labor or payroll violations by the highest-rated proposer, as reported by the State Labor Board Division of Labor Standards Enforcement, to the Labor Law/Payroll Violations Assessment Team. CleanStreet had no reported violations.

The Director has considered the committee's findings and recommends that your Board approve the contract with CleanStreet.

Attachment 3 details the minority and gender composition of the qualifying contractors. Final consideration of contract award was made without regard to gender, race, creed or color.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not result in the displacement of any County employees, as these services are currently being contracted by the Department of Public Works.

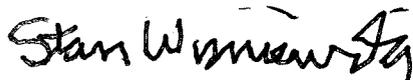

There will be no impact on other County services or projects.

The Honorable Board of Supervisors

The word "sweeping" shall define an operation and the method shall not be limited to the use of a power broom street sweeper;
- Sweeping a parking lot shall normally consist of a single path adjacent and parallel to the perimeter of the parking lot and adjacent and parallel to any raised medians within the boundaries of the parking lot at a maximum speed of not more than six miles per hour;
- Water shall be used while sweeping to minimize dust if a power broom sweeper is used. In the event that the results of a

sweeping operation are considered unsatisfactory by the CA, in accordance with Section 2.4.2, Performance Standards, below, the Contractor shall sweep or clean the unsatisfactory area again, at no cost to the County, within two calendar days without interruption of the regular sweeping schedule;

- Curbed areas that cannot be swept with power sweeping equipment, such as, but not limited to median noses, and narrow spaces (or any area obstructed for cleaning) shall be hand cleaned to comply with Section 2.4.2, Performance Standards, below;
- All debris and refuse collected from these operations shall become the property of the Contractor. The Contractor shall dispose of all refuse and debris collected during sweeping operations, at no additional cost to the County, by hauling to a legally established area for the disposal of solid waste. When storage of refuse and debris is necessary prior to disposal, the Contractor shall locate and arrange for use of a temporary storage site off the parking lots and road rights of way. The Contractor will not be allowed to use the rights of way or the Department facilities as temporary storage sites.
- The Contractor shall inform the CA of any problems or conditions which may be a public hazard or interfere with normal sweeping operations. These problems or conditions shall include, but not be limited to fallen trees, obstructed pathways, low overhanging branches, abandoned vehicles, and large potholes. - A complete schedule of weekly sweeping shall be submitted with the proposal in accordance with the specifications listed in Exhibit 11. The schedule shall include the order of lots to be swept (a route map), as well as the daily starting time;
- Changes in the schedule for the convenience of the Contractor shall require approval by the CA prior to being included in

the weekly work. The County reserves the right to require the Contractor to sweep specific areas on specified days and at specified times of the day;

- Included as part of this Contract are Project Location Maps (Exhibit 10) showing the parking lot locations included in this Project.
- The Plans, Specifications, and other contract documents shall govern the work. These contract documents are intended to be complementary and cooperative and to describe and provide for a complete Project. Anything in the Contract and not on the Maps, or on the Maps and not in the Contract, shall be as though shown or mentioned in both.
- While it is believed that much of the information pertaining to conditions which may affect the cost of the work will be shown on the Maps and indicated in the Scope of Work, the County does not warrant the completeness or accuracy of such information. The Contractor shall ascertain the existence of any conditions affecting the cost of the work which would have been disclosed by reasonable examination of the site. The Contractor shall, upon discovering any error or omission in these Maps and/or description of services to be provided, immediately call it to the attention of the CA.
- The Contractor will procure all project related materials unless otherwise agreed to by the Parties;
- The Department will provide the Contractor with any plans or specifications necessary to carry out projects agreed to by the Parties, unless the Work Order provides that the Contractor shall prepare plans and specifications;
- The Department will obtain any necessary permits or approvals required by law for the carrying out of any project contemplated by this Agreement, unless such responsibility is expressly delegated to the Contractor in the Work Order;
- The CA or his designee will review all work performed by the Contractor and provide evaluations of said work on a regular basis;

- The need for additional sweeping may be required because of storm, fire, flood, parade, public gathering, riot, or other natural or unanticipated occurrence affecting the cleanliness of the parking lots. The additional sweeping may be in lieu of or in addition to the regularly scheduled sweeping as ordered by the CA.
- The Contractor will perform other duties as required by the Director.

2.4 QUALITY ASSURANCE

2.4.1 Purpose of Standards. The Contractor will observe, at a minimum, the standards set forth in this Section 2.4, and acknowledges that the adequacy of its compliance with the Contract shall be measured by these standards as well as all other terms and conditions of the Contract.

2.4.2 Performance Standards. The primary objective of parking lot sweeping is to remove all leaves, paper, dirt, rocks, glass, bottles, cans, sand and other debris to ensure free flow of water in the gutter and to maintain the pavement in a state of cleanliness. The CA will make the final determination as to whether the work has been satisfactorily completed. If the work has not been satisfactorily completed, the CA may direct the Contractor to re-sweep the unsatisfactorily swept area(s) not swept at all, if the area(s) can be re-swept during the same business day. If the area(s) cannot be re-swept during the same business day by the Contractor, the CA may deduct payment to the Contractor in accordance with Section 2.4.4 below.

2.4.3 Performance Evaluation. The County or its agent will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all Contract terms and performance standards. Contractor's deficiencies which the County determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Contract or impose other penalties as specified in this Contract.

2.4.4 Contractor's Quality Control Plan.

The Contractor shall comply with Contractor's Quality Control Plan (Form P-3), which shall be incorporated in the Contract by reference. To the extent that provisions of Contractor's Quality Control Plan are inconsistent with any other part of the Contract, they shall be ineffective.

The Contractor's Quality Control Plan shall include but not be limited to: routine inspections of the work to ensure compliance with the Plans and Specifications, approved schedules, and Contractor quality standards.

The CA will inspect the work to assure that the quality of parking lot sweeping services is in compliance with terms and conditions of this Contract. The CA may inspect by sampling the quality of the work at up to 10 random locations immediately after they are scheduled to be swept.

A "location" is generally defined as the public parking lots operated by the County of Los Angeles Department of Beaches and Harbors within the project limits as shown in Exhibit 10, Project Location Maps. A five percent deduction of payment for that day's sweeping square footage shall be assessed for each and every location that is not swept in accordance with these specifications and plans. Photos and documentation for all deficient locations will be provided to the Contractor on the working day following the inspection for all deficient locations.

The CA will use the following general guidelines to determine if the parking lot was swept properly:

- No debris shall be in or on the pavement or gutter within eight feet of the curb face. Debris includes, but is not limited to trash, grass, leaves, soil, bottles, broken glass, rocks, sand and other refuse.
- A trail of debris shall not be left along the paved road or gutter.
- An inordinate amount of debris which would indicate that the location had not been swept properly.

The Contractor shall not change the Quality Control Plan without written approval of the Director or his designee.

2.4.5 Applicable Professional Standards to be Followed. The Contractor and its professional staff shall exercise independent judgment and complete each assignment in accordance with the professional standards of ethics and competence which apply to maintenance services.

2.4.6 Conflicts of Interest. Contractor shall accept no employment which conflicts with its obligations to the County under the Contract and shall disclose any existing potential or actual conflict of interest prior to accepting an assignment.

The prohibition shall continue in effect until the later of (1) one year from the termination or expiration of this Contract or any extension period; or (2) if the Contractor has performed work for the County related to an interest of the person or entity offering employment, the prohibition on accepting employment from that person or entity shall continue until the date of execution of an agreement or other conclusion of all negotiations between the County and that person or entity.

However, at no time after termination or expiration of the Contract or any extension period may the Contractor disclose to any third person any confidential information learned or developed as a result of its work under this Contract or accept employment regarding subject matter as to which the Contractor learned or developed any confidential information as a result of employment by the County.

2.4.7 Changes Resulting in Schedule Disruption

During this Contract period, the Contractor shall sweep the designated parking lots in accordance with Exhibit 11. When, in the opinion of the CA, inclement weather prevents adherence to the regular sweeping schedule for two scheduled days or less in a given week, the CA may require the sweeping areas so affected to be swept prior to the next sweeping schedule.

Any such required sweeping made necessary by inclement weather shall meet the requirements of 2.4.2, Performance Standards, and shall be

performed by the Contractor at the Contract's "Unit Price" per Square footage.

When any holiday or observance as specified in the Government Code of the State of California occurs on a regular scheduled sweeping day, and said sweeping area is not swept in observance of said holiday, the subject sweeping area shall, when ordered by the CA, be swept within two working days of the regularly scheduled sweeping day without interruption in the regular sweeping schedule. Any such requested sweeping shall meet the requirements of Section 2.4.2, Performance Standards, and shall be performed by the Contractor at the Contract Unit Price per Square footage and shall not be considered additional sweeping.

In the event the Contractor is prevented from completing the sweeping, as provided in the provided/approved schedule, because of reasons other than inclement weather or holidays, the Contractor shall be required to complete the sweeping services so deferred within two calendar days without interruption in the regular sweeping schedule.

2.4.7 Other Standards to be Followed.

2.4.7.1 Contractor shall meet deadlines set by CA.

2.4.7.2 Reports required by the Contract or any Work Order shall be completed on time.

2.4.7.3 Contractor's employees shall appear on time for meetings and presentations and conduct themselves professionally.

2.4.7.4 Hourly services shall be accurately reported.

2.4.7.5 Calls of County agents, employees, and contractors shall be returned promptly in accordance with Section 2.1.4.

2.4.7.6 Insurance shall never be allowed to lapse. Proof of insurance shall comply with Contract requirements in all respects, including but not limited to state authorization of insurer, presence of each required coverage, and policy limits.

LOS ANGELES COUNTY DEPARTMENT OF BEACHES AND HARBORS
CONTRACT FOR PARKING LOT SWEEPING

PART THREE – STANDARD CONTRACT TERMS AND CONDITIONS

3.1 LIMITATION OF COUNTY'S OBLIGATION IN CASE OF NONAPPROPRIATION OF FUNDS

3.1.1 The County's obligation is payable only and solely from funds appropriated for the purpose of this Contract. All funds for payment after June 30th of any fiscal year are subject to County's legislative appropriation for this purpose. Payments during subsequent fiscal periods are dependent upon the same action.

3.1.2 In the event this Contract extends into succeeding fiscal year periods, and if the governing body appropriating the funds does not allocate sufficient funds for the next succeeding fiscal year's payments, then the services shall be terminated as of June 30th of the last fiscal year for which funds were appropriated.

3.2 NONDISCRIMINATION IN EMPLOYMENT

3.2.1 The Contractor shall take affirmative action to ensure that qualified applicants are employed, and that employees are treated equally during employment, without regard to their race, color, religion, sex, ancestry, age, physical disability, marital status, political affiliation, or national origin. Such action shall include, by way of example without limitation: employment; upgrading; recruitment or recruitment advertising; demotion or transfer; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

3.2.2 The Contractor certifies and agrees that all persons employed by the Contractor, its affiliates, subsidiaries or holding companies, are and will be treated equally by the employer without regard to or because of race, color, religion, sex, ancestry, age, physical disability, marital status, political affiliation, or national origin, and in compliance with all antidiscrimination laws of the United States of America and the State of California.

3.2.3 The Contractor certifies and agrees that it will deal with its Subcontractors, bidders, or vendors without regard to their race, color, religion, sex, ancestry, age, physical disability, marital status, political affiliation, or national origin.

3.2.4 The Contractor shall allow the County access to its employment records during regular business hours to verify compliance with these provisions when requested by the County.

3.2.5 If the County finds that any of the above provisions have been violated, the same shall constitute a material breach of contract upon which the County may determine to terminate the Contract. While the County reserves the right to determine independently that the antidiscrimination provisions of the Contract have been violated, a final determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated state or federal antidiscrimination laws shall constitute a finding on which the County may conclusively rely that the Contractor has violated the antidiscrimination provisions of the Contract.

3.2.6 The parties agree that in the event the Contractor violates the antidiscrimination provisions of the Contract, the County shall at its option be entitled to a sum of five hundred dollars (\$500) pursuant to Section 1671 of the California Civil Code as damages in lieu of terminating the Contract.

3.3 ASSURANCE OF COMPLIANCE WITH CIVIL RIGHTS LAWS. The Contractor hereby assures it will comply with all applicable federal and state statutes to the end that no person shall, on the grounds of race, religion, ancestry, color, sex, age, physical disability, marital status, political affiliation or national origin, be excluded from participation in, be denied the benefits of, nor be otherwise subjected to discrimination under the Contract or under any project, program, or activity supported by the Contract.

3.4 COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS

3.4.1 The Contractor agrees to comply with all applicable federal, state, County and city laws, rules, regulations, ordinances, or codes, and all provisions required by these laws to be included in the Contract are incorporated by reference.

3.4.2 The Contractor warrants that it fully complies with all statutes and regulations regarding the employment eligibility of foreign nationals; that all persons performing the Contract work are eligible for employment in the United States; that it has secured and retained all required documentation verifying employment eligibility of its personnel; and that it shall secure and retain verification of employment eligibility from any new personnel in accordance with the applicable provisions of law.

3.4.3 The Contractor agrees to indemnify and hold the County harmless from any loss, damage or liability resulting from a violation on the part of the Contractor of such laws, rules, regulations or ordinances.

3.5 GOVERNING LAW. The Contract shall be construed in accordance with and governed by the laws of the State of California.

3.6 COVENANT AGAINST CONTINGENT FEES

3.6.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies under contract with the Contractor for the purpose of securing business.

3.6.2 The County shall have the right to terminate the Contract for a breach of this warranty, and, at its sole discretion, recover from the Contractor by way of such means as may be available the full amount of any commission, percentage, brokerage or contingent fee paid.

3.7 TERMINATION FOR IMPROPER CONSIDERATION

3.7.1 The County may, by written notice to the Contractor, immediately terminate the right of

the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment or extension of the Contract or the making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

3.7.2 Among other items, such improper consideration may take the form of cash, discounts, services, tangible gifts or the provision of travel or entertainment.

3.7.3 The Contractor shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

3.8 INDEMNIFICATION. The Contractor shall indemnify, defend and hold harmless the County and its Special Districts, elected and appointed officers, employees and agents ("County") from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from or connected with Contractor's operations or its services, which result from bodily injury, death, personal injury, or property damage (including damage to Contractor's property). Contractor shall not be obligated to indemnify for liability and expense ensuing from the active negligence of the County.

3.9 INSURANCE

3.9.1 General Insurance Requirements. Without limiting the Contractor's indemnification of the County and during the term of this Contract, the Contractor shall provide and maintain, and shall require all of its Subcontractors to maintain, the programs of insurance specified in this Contract. Such insurance shall be primary to and not contributing with any other insurance or self-

insurance programs maintained by the County, and such coverage shall be provided and maintained at the Contractor's own expense.

3.9.2 Evidence of Insurance. Certificate(s) or other evidence of coverage satisfactory to the County shall be delivered to the Department of Beaches and Harbors, Contract Section, 13837 Fiji Way, Marina del Rey CA 90292 prior to commencing services under this Contract. - (5) Identify any deductibles or self-insured retentions for County's approval. The County retains the right to require the Contractor to reduce or eliminate such deductibles or self-insured retentions as they apply to the County, or require the Contractor to provide a bond guaranteeing payment of all such retained losses and related costs, including, but not limited to, expenses or fees, or both, related to investigations, claims administrations and legal defense. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

3.9.3 Insurer Financial Rating. Insurance is to be provided by an insurance company acceptable to the County with an A.M. Best rating of not less than A:VII, unless otherwise approved by the County.

3.9.4 Failure to Maintain Coverage. Failure by the Contractor to maintain the required insurance or to provide evidence of insurance coverage acceptable to the County shall constitute a material breach of the Contract upon which the County may immediately

terminate or suspend this Contract. The County, at its sole option, may obtain damages from the Contractor resulting from said breach. Alternatively, the County may purchase such required insurance coverage and, without further notice to the Contractor, the County may deduct from sums due to the Contractor any premium costs advanced by the County for such insurance.

3.9.5 Notification of Incidents, Claims or Suits. Contractor shall report to County:

- (1) Any accident or incident related to services performed under this Contract which involves injury or property damage which may result in the filing of a claim or lawsuit against Contractor and/or County. Such report shall be made in writing within 24 hours of occurrence;
- (2) Any third party claim or lawsuit filed against Contractor arising from or related to services performed by Contractor under this Contract;
- (3) Any injury to a Contractor employee that occurs on County property. This report shall be submitted on a County "Non-employee Injury Report" to the County CA; and
- (4) Any loss, disappearance, destruction, misuse, or theft of any kind whatsoever of County property, monies or securities entrusted to Contractor under the terms of this Contract.

3.9.6 Compensation for County Costs. In the event that Contractor fails to comply with any of the indemnification or insurance requirements of this Contract, and such failure to comply results in any costs to the County, Contractor shall pay full compensation for all costs incurred by the County.

3.9.7 Insurance Coverage Requirements for Subcontractors. Contractor shall ensure any and all Subcontractors performing services under this Contract meet insurance requirements of this Contract by either Contractor providing evidence to the CA of insurance covering the activities of Subcontractors, or Contractor providing evidence to the CA submitted by Subcontractors evidencing that Subcontractors maintain the required insurance coverage. The County retains the right to obtain copies of evidence of Subcontractor insurance coverage at any time.

3.9.8 Insurance Coverage Requirements.

The Contractor shall maintain the insurance coverages specified in this Section 3.9.8 in the amounts specified.

3.9.8.3 Workers' Compensation and Employers' Liability insurance providing Workers' Compensation benefits as required by the Labor Code of the State of California or by any other state, and for which Contractor is responsible. If Contractor's employees will be engaged in maritime employment, coverage shall provide workers compensation benefits as required by the U.S. Longshore and Harbor Workers' Compensation Act, Jones Act or any other federal law for which Contractor is responsible. The coverage also shall provide an extended two-year reporting period commencing upon termination or cancellation of this Contract.

3.10 STATUS OF CONTRACTOR'S EMPLOYEES; INDEPENDENT STATUS OF CONTRACTOR

3.10.1 Contractor shall at all times be acting as an independent contractor. The Contract is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture or association as between the County and Contractor.

3.10.2 Contractor understands and agrees that all of Contractor's personnel who furnish services to the County under the Contract are employees solely of Contractor and not of County for purposes of Workers' Compensation liability.

3.10.3 Contractor shall bear the sole responsibility and liability for furnishing Workers' Compensation benefits to Contractor's personnel for injuries arising from or connected with the performance of the Contract.

3.11 RECORD RETENTION AND INSPECTION

3.11.1 The Contractor agrees that the County or any duly authorized representative shall have the right to examine, audit, excerpt, copy or transcribe any transaction, activity, time card, cost accounting record, financial record, proprietary data or other record pertaining to the Contract. Contractor shall keep all such material for four years after the completion or termination of the Contract, or until all audits are complete, whichever is later.

3.11.2 If any such records are located outside the County of Los Angeles, the Contractor shall pay the County for travel and per diem costs connected with any inspection or audit.

3.12 AUDIT SETTLEMENT

3.12.1 If, at any time during the term of the Contract or at any time after the expiration or termination of the Contract, authorized representatives of the County conduct an audit of the Contractor regarding performance of the Contract and if such audit finds that the County's obligation for the Contract payment is less than the payments made by the County to the Contractor, then the Contractor agrees that the difference shall be either paid forthwith by the Contractor, or at the Director's option, credited

to the County against any future Contract payments.

3.12.1.1 If such audit finds that the County's obligation for the Contract payment is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County, provided that in no event shall the County's maximum obligation under the Contract exceed the funds appropriated by the County for the purpose of the Contract.

3.13 VALIDITY. The invalidity in whole or in part of any provision of the Contract shall not void or affect the validity of any other provision.

3.14 WAIVER. No waiver of a breach of any provision of the Contract by either party shall constitute a waiver of any other breach of the provision. Failure of either party to enforce a provision of the Contract at any time, or from time to time, shall not be construed as a waiver of the provision or any other provision. The Contract remedies shall be cumulative and additional to any other remedies in law or in equity.

3.15 DISCLOSURE OF INFORMATION

3.15.1 The Contractor shall not disclose any details in connection with the Contract or any work performed under the Contract to any third party, except as may be required by law or as expressly authorized in writing by the Director.

3.15.2 However, recognizing the Contractor's need to identify its services and clients, the Contractor may publicize the Contract work, subject to the following limitations:

(1) All publicity shall be presented in a professional manner.

(2) The name of the County shall not be used in commercial advertisements, press releases, opinions or featured articles, without the prior written consent of the Director. The County shall not unreasonably withhold written consent, and approval by the County shall be deemed to have been given in the absence of objection by the County within two (2) weeks after receipt by the CA of the material submitted by the Contractor for approval by the County.

(3) The Contractor may list the County in any other proposal submitted in response to a request for proposals or bids from a third party without prior written permission of the County.

3.16 COUNTY'S REMEDIES FOR DEFAULT

3.16.1 If the Contractor fails to perform the Contract work in accordance with the covenants, terms and conditions of the Contract or fails to comply with any other material covenant, term or condition of the Contract, the County may, by written notice of default to the Contractor, terminate the whole or any part of the Contract. Nothing in this Section 3.16 shall prevent the County from recovering any and all damages arising from the default. The County may elect not to terminate the Contract without waiving its right to such recovery.

3.16.2 Contractor shall have ten (10) calendar days from written notification of default in which to cure the default. The County, in its sole discretion, may by written notice allow a longer or additional period for cure.

3.16.3 If the Contractor does not cure the default within the time specified by the notice of default or written extension of time, the Contract shall be terminated. In such event, all finished or unfinished documents, data and reports prepared by the Contractor under this Contract shall be transferred immediately to the County.

3.16.4 In the event the County terminates the Contract in whole or in part for the Contractor's default, the County may procure replacement services from a third party or by County's employees upon such terms and in such manner as the County deems appropriate. The Contractor shall be liable to the County for any excess costs arising from the use of replacement services. Excess costs shall consist of those costs incurred by the County in procuring replacement services, which exceed the costs the County would have been obligated to pay the Contractor for the services in question. The Contractor shall continue performance of any part of the Contract work not terminated.

3.16.5 Except with respect to defaults of Subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform arises out of causes beyond the control

and without the fault or negligence of the Contractor. Such causes may include, but are not restricted to, acts of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of the federal and state governments in their sovereign capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargos, and unusually severe weather. If the failure to perform is caused by the default of a Subcontractor arising from causes beyond the control of both Contractor and Subcontractor, and without the negligence of either of them, the Contractor shall not be liable for any excess costs for failure to perform unless the Contractor had sufficient time to obtain performance from another party.

3.16.6 If, after termination, it is determined that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the Contract were terminated pursuant to Section 3.18 (Termination for Convenience of the County).

3.16.7 The rights and remedies of the County provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.

3.17 DEFAULT FOR INSOLVENCY

3.17.1 Notwithstanding the provisions of Section 3.16, the County may cancel the Contract for default without giving the Contractor written notice of default and time to cure upon the occurrence of any of the following events:

(1) The Contractor becomes insolvent. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts in the ordinary course of business or cannot pay its debts as they become due, whether it has committed an act of bankruptcy or not, whether it has filed for federal bankruptcy protection and whether it is insolvent within the meaning of the federal bankruptcy law.

(2) The filing of a voluntary petition to have the Contractor declared bankrupt.

(3) The appointment of a receiver or trustee for the Contractor.

(4) The execution of the Contractor of an assignment of the Contract for the benefit of creditors.

3.17.2 The rights and remedies of the County provided in this section shall not be exclusive and are in addition to any rights and remedies provided by law or under the Contract.

3.18 TERMINATION FOR CONVENIENCE OF THE COUNTY

3.18.1 The performance of the Contract work may be terminated in whole or in part from time to time when such action is deemed by the County to be in its best interest, subject to delivery to the Contractor of a ten (10) day advance notice of termination specifying the extent to which the Contract work is terminated, and the date upon which such termination becomes effective. After receipt of a notice of suspension of performance or termination, the Contractor shall stop the Contract work on the date and to the extent specified in the notice.

3.18.2 County may suspend performance or terminate the Contract without liability for damages if County is prevented from performing by reasons beyond its control, including but not limited to operation of laws, acts of God, and official acts of local, state, or federal authorities.

3.18.3 The County and Contractor shall negotiate an equitable amount to be paid the Contractor by reason of the total or partial termination of work pursuant to this section, which amount may include a reasonable allowance for profit on the Contract work that has been performed and has not been paid, provided that such amount shall not exceed the total obligation to pay for the Contract work performed as reduced by the amount of Contract payments otherwise made.

3.18.4 The Contractor shall make available to the County, for a period of four (4) years after Contract termination, at all reasonable times, at the office of the Contractor, all books, records, documents, or other evidence bearing on the costs and expenses of the Contractor in respect to the termination under this section of the Contract work. In the event records are located outside the County of Los Angeles, the Contractor will pay the County for traveling and per diem costs connected with the inspection or audit.

3.19 NOTICE OF DELAY. Except as otherwise provided, when either party knows of

any fact that will prevent timely performance of the Contract, that party shall give notice, including all relevant information, to the other party within five days.

3.20 NOTIFICATION. Except as otherwise provided by the Contract, notices desired or required to be given by law or under the Contract may, at the option of the party giving notice, be given by enclosing a written notice in a sealed envelope addressed to the party for whom intended and by depositing such envelope with postage prepaid in the United States mail. Any such notice shall be addressed to the Contractor at the address shown for the Contractor in the Proposal or such other place designated in writing by the Contractor. Notice to the County shall be addressed to the Director, Department of Beaches and Harbors, 13837 Fiji Way, Marina del Rey, California 90292, or such other place as the Director may designate in writing.

3.21 CONFLICT OF INTEREST

3.21.1 The Contractor represents and warrants the statements set forth in the conflict of interest certification of its Proposal are true and correct.

3.21.2 The Contractor further agrees that anyone who is an employee or former employee of the County at the time of execution of the Contract by the Board of Supervisors and who subsequently becomes affiliated with the Contractor in any capacity shall not perform the Contract work or share in the Contract's profits for a period of one (1) year from the date of termination of the employee's employment with the County.

3.21.3 The County shall have the right to terminate the Contract for a breach by the Contractor of either its warranty or promise on the absence of the prohibited conflicts of interest.

3.22 DELEGATION AND ASSIGNMENT

3.22.1 The Contractor may not delegate its duties or assign its rights under the Contract, either in whole or in part, without the written prior consent of the Director. Any delegation of duties or assignment of rights under the Contract without the expressed written consent of the County shall be null and void and shall

constitute a breach for which the Contract may be terminated.

3.22.2 Any delegation of duties or assignment of rights (including but not limited to a merger, acquisition, asset sale and the like) shall be in the form of a subcontract or formal assignment, as applicable. The Contractor's request to the Director for approval of an assignment shall include all information that must be submitted with a request by the Contractor to the County for approval of a subcontract of the Contract work pursuant to Section 3.23.

3.23 SUBCONTRACTING

3.23.1 Performance of the Contract work may not be subcontracted without the express written consent of the Director or authorized representative. Any subcontract of the Contract work without the express written consent of the Director or authorized representative shall be null and void and shall constitute a breach for which the Contract may be terminated.

3.23.2 The Contractor's request to the Director for approval to enter into a subcontract of the Contract work shall include:

- (1) A description of the work to be performed by the Subcontractor;
- (2) Identification of the proposed Subcontractor and an explanation of why and how the proposed Subcontractor was selected, including the degree of competition in the selection process;
- (3) The proposed subcontract amount, together with the Contractor's cost or price analysis; and
- (4) A copy of the proposed subcontract.

3.23.3 In the event the Director or authorized representative should consent to a subcontract for the performance of the Contract work, the terms and conditions of the Contract shall be made expressly applicable to the work that is to be performed by the Subcontractor.

3.23.4 In the event the Director or authorized representative should consent to a subcontract, the Contractor shall provide in the approved subcontract an agreement that the work of the Subcontractor is pursuant to the terms of a prime contract with the County of Los Angeles,

and that all representations and warranties shall inure to the benefit of the County of Los Angeles.

3.23.5 Subcontracts shall be made in the name of the Contractor and shall not bind nor purport to bind the County. The making of subcontracts shall not relieve the Contractor from performing the Contract work in accordance with the terms and conditions of the Contract. Approval of any subcontract by the County shall not be construed as effecting any increase in the compensation to be paid for the Contract work.

3.23.6 Any later modification or amendment of the subcontract shall be approved in writing by the Director or authorized representative before such modification or amendment is effective.

3.24 CHANGES AND AMENDMENTS

3.24.1 Except as provided in this Section 3.24, renewals and other modifications of this Contract shall be in writing and shall be executed by the parties and approved by the Board in the same manner as the Contract.

3.24.2 A change which does not materially effect the scope of work, period of performance, compensation, method of payment, insurance or other material term or condition of the Contract shall be effective upon the Director or his authorized representative and the Contractor signing an amendment or other writing reflecting a modification of the Contract.

3.24.3 The Director or authorized representative may, in his or her sole discretion, grant the Contractor extensions of time for performance of the work where such extensions do not materially effect the work. Such extensions shall not be deemed to extend the term of the Contract.

3.25 PROPRIETARY RIGHTS. All materials, data and other information of any kind obtained from County personnel and all materials, data, reports and other information of any kind developed by the Contractor under the Contract are the property of the County, and the Contractor agrees to take all necessary measures to protect the security and confidentiality of all such materials, data, reports and information. The provisions of this paragraph shall survive the expiration or other termination of the Contract.

3.26 TIME. Except as specifically otherwise provided in the Contract, time is of the essence in the performance of the Contract work and all terms and conditions of the Contract with respect to such performance shall be construed.

3.27 AUTHORIZATION. The Contractor represents and warrants that its signatory to the Contract is fully authorized to obligate the Contractor for performance of the Contract work, and that all necessary acts to the execution of the Contract have been performed.

3.28 COMPLIANCE WITH COUNTY LOBBYING REQUIREMENTS

3.28.1 The Contractor and each County lobbyist or County lobbying firm, as defined in Los Angeles County Code Section 2.160.010, retained by the Contractor shall fully comply with the County Lobbyist Ordinance, Los Angeles County Code Chapter 2.160.

3.28.2 Failure on the part of the Contractor or any County lobbyist or County lobbying firm retained by the Contractor to fully comply with the County Lobbyist Ordinance shall constitute a material breach of the Contract upon which the County may immediately terminate or suspend the Contract notwithstanding the opportunity to cure otherwise made available under Section 3.16.

3.29 CONSIDERATION OF HIRING COUNTY EMPLOYEES ON A REEMPLOYMENT LIST OR TARGETED FOR LAYOFFS

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified permanent County employees who are targeted for layoff or qualified former County employees who are on a reemployment list during the life of this agreement.

3.30 CONSIDERATION OF GREATER AVENUES FOR INDEPENDENCE (GAIN) OR GENERAL RELIEF OPPORTUNITIES FOR WORK (GROW) PARTICIPANTS FOR EMPLOYMENT

Should the Contractor require additional or replacement personnel after the effective date of

the agreement, contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program or General Relief Opportunities for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. County will refer GAIN/GROW participants, by job category, to Contractor.

3.31 COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

3.31.1 Contractor's Warranty of Adherence to County Child Support Compliance Program. Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (41 USC Section 653a) and California Unemployment Insurance Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

3.31.2 Termination for Breach of Warranty to Maintain Compliance with County Child Support Compliance Program. Failure of Contractor to maintain compliance with the requirements set forth in the preceding Section 3.31.1 "Contractor's Warranty of Adherence to County's Child Support Compliance Program" shall constitute a default by Contractor under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure to cure such default within 90 days of notice by the Los Angeles County Child Support Services Department shall be grounds upon which the

County Board of Supervisors may terminate this Contract pursuant to Section 3.16 "County's Remedies for Default."

3.31.3 Voluntary Posting of "Delinquent Parents" Poster. Contractor acknowledges that County places a high priority on the enforcement of child support laws and apprehension of child support evaders. Contractor understands that it is County's policy to encourage all County contractors to voluntarily post County's "L.A.'s Most Wanted: Delinquent Parents" poster in a prominent position at Contractor's place of business. County Child Support Services Department will supply Contractor with the poster to be used.

3.32 COMPLIANCE WITH LIVING WAGE PROGRAM

3.32.1 Living Wage Program. This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program ("Program") as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached hereto as Exhibit 10 and incorporated by reference into and made a part of the Contract.

3.32.2 Payment of Living Wage Rates.

3.32.2.1 Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that Contractor qualifies for an exception to the Program (Section 2.201.090 of the County Code), Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the County under the Contract:

(a) Not less than \$9.46 per hour if, in addition to the per-hour wage, Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or

(b) Not less than \$8.32 per hour if, in addition to the per-hour wage, Contractor contributes at least \$1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. Contractor will be deemed to have contributed \$1.14 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services

Community Health Plan. If, at any time during the Contract, Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits, Contractor shall be required to pay its Employees the higher hourly living wage rate.

3.32.2.2 For purposes of this Section, "Contractor" includes any subcontractor engaged by Contractor to perform services for the County under the Contract. If Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Program shall be attached to the agreement. "Employee" means any individual who is an employee of Contractor under the laws of California, and who is providing full-time services to Contractor, some or all of which are provided to the County under the Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full time.

3.32.2.3 If Contractor is required to pay a living wage when the Contract commences, Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.

3.32.2.4 If Contractor is not required to pay a living wage when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement, and Contractor shall immediately notify County if Contractor at any time either comes within the Program's definition of "Employer" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Program's definition of "Employer" and/or that Contractor continues to qualify for an exception to the Program. Unless

Contractor satisfies this requirement within the time frame permitted by the County, Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

3.32.3 Contractor's Submittal of Certified Monitoring Reports. Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of Contractor's current health care benefits plan, and Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County, or any other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, Contractor shall promptly provide such information. Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

3.32.4 Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims.

During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's Contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

3.32.5 County Auditing of Contractor Records. Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at Contractor's place of business, any of Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. Contractor is required to maintain all such records in California until the expiration of four years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

3.32.6 Notifications to Employees. Contractor shall place County-provided living wage posters at each of Contractor's place of business and locations where Contractor's Employees are working. Contractor shall also distribute County-provided notices to each of its Employees at least once per year. Contractor shall translate into Spanish and any other language spoken by a significant number of Employees the posters and handouts.

3.32.7 Enforcement and Remedies. If Contractor fails to comply with the requirements of this Section, the County shall have the rights and remedies described in this Section in addition to any rights and remedies provided by law or equity.

3.32.7.1 Remedies For Submission of Late or Incomplete Certified Monitoring Reports. If Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

(a) Withholding of Payment. If Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

(b) Liquidated Damages. It is mutually understood and agreed that

Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due Contractor.

(c) Termination. Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

3.32.7.2 Remedies for Payment of Less Than the Required Living Wage. If Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

(a) Withholding Payment. If Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due Contractor the aggregate difference between the living wage amounts Contractor was required to pay its Employees for a given pay period and the amount actually paid to the Employees for that pay period. The County may withhold said amount until Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation

(b) Liquidated Damages. It is mutually understood and agreed that Contractor's failure

to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due Contractor.

(c) Termination. Contractor's failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

3.32.8 Debarment. In the event Contractor breaches a requirement of this Section, the County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, not to exceed three years.

3.32.9 Use of Full-Time Employees. Contractor shall assign and use full-time employees of Contractor to provide services under the Contract unless Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. Contractor submitted with its proposal a full time employee staffing plan. If Contractor changes its full time employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to the County.

3.32.10 Contractor Retaliation Prohibited. Contractor and/or its employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract

benefit, or any statutory benefit for any employee, person or entity who has reported a violation of the Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this paragraph may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

3.32.11 Contractor Standards. During the term of the Contract, Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, Contractor shall demonstrate to the satisfaction of the County that Contractor is complying with this requirement.

3.32.12 Neutrality in Labor Relations. Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

3.33 CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE

3.33.1 The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification Form P-11, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

3.34 CONTRACTOR RESPONSIBILITY AND DEBARMENT

3.34.1 A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible Contractors.

3.34.2 The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding on County contracts for a specified period of time which generally will not exceed five years, but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

3.34.3 The County may debar a contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated any term of a contract with the County or a nonprofit corporation created by the County; (2) committed any act or omission which negatively reflects on the Contractor's quality, fitness, or capacity to perform a contract with the County or any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

3.34.4 If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

3.34.5 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the

hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

3.34.6 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

3.34.7 If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determinations to reduce the period of debarment or terminate the debarment. The County may, in its sole discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) an other reason that is in the best interest of the County.

3.34.8 The Contractor Hearing Board will consider a request for review of debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a

debarment hearing. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the processed decision and recommendation of the Contractor Hearing Board.

3.349 These terms shall also apply to Subcontractors of County Contractors.

3.35 NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME TAX CREDIT. Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the federal Earned Income Tax Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015 (Exhibit 2).

3.36 CONTRACTOR TO USE RECYCLED PAPER. Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on all work performed under this Contract.

3.37 COMPLIANCE WITH JURY SERVICE PROGRAM

3.37.1 Jury Service Program. This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

3.37.2 Written Employee Jury Service Program.

3.37.2.1 Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis,

no less than five days regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service.

3.37.2.2 For purposes of this section, "Contractor" means a person, partnership, corporation, or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full time means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full time for purposes of the Jury Service Program. If Contractor uses any Subcontractor to perform services for the County under this Contract, the Subcontractor shall also be subject to the provisions of this section. The provisions of this section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3.37.2.3 If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

3.37.2.4 Contractor's violation of this section of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

Contractor. This provision shall survive the expiration or other termination of this Contract.

3.38 SAFELY SURRENDERED BABY LAW

3.38.1 Notice to Employees Regarding the Safely Surrendered Baby Law. The Contractor shall notify and provide to its employees, and require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit 6 of this Contract and is also available on the Internet at www.babysafela.org for printing purposes.

3.38.2 Contractor's Acknowledgment of County's Commitment to the Safely Surrendered Baby Law. The Contractor acknowledges that the County places high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

3.39 NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION/TERMINATION OF A CONTRACT

Contractor shall have no claim against County for payment of money or reimbursement of any kind whatsoever for any service provided by Contractor after the expiration or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from

3. QUALITY CONTROL PROGRAM

INTRODUCTION:

CleanStreet has been built on a solid reputation of competence, punctuality, integrity and courtesy.

Our primary clients are municipalities with posted no parking schedules that must be met religiously or we all have to face the wrath of disappointed residents.

As a consequence, we strive for perfection in our punctuality and dependability. We have been rewarded with the loyalty of our clients.

Our clients appreciate that they do not receive complaints when we are the service provider.

There are six key components to providing the highest quality of services:

1. Operator Training:

- Our street sweeper operator training program lasts two to four weeks. New operators are evaluated by veteran drivers and the regional driver supervisor. During the Introductory Period, trainees are evaluated on safety, performance and progress. Drivers in the training program must pass multiple tests before they are permitted to work alone. Approximately one out of every three trainees is offered permanent employment.
 - a. Pre-employment requirements for all trainees include:
 1. Clean driving record, verified by current copy of Department of Motor Vehicles H5 printout
 2. No accidents
 3. Strong references
 4. Pre-employment work comp history search
 5. Pre-employment drug testing

2. Equipment:

- We will provide these skilled operators with new model equipment that is in excellent operating condition and appearance.
- CleanStreet equips its trucks with Global Positioning Satellite (GPS) system. All of the real-time data is monitored by CleanStreet's dispatchers. This permits CleanStreet to monitor the driver's speed, time and location.
- All equipment used will be in compliance with SCAQMD Rules 1186 and 1186.1 and all other applicable laws and rules.

3. QUALITY CONTROL PROGRAM

- Backup equipment is available at all times.

3. Operator Retention:

- We pay our operators fair.
- We show our appreciation for our operators by having an awards banquet. Award recipients are employees with no accidents, no injuries and no complaints for the entire year. Anyone who has a combination of all three receives the largest cash award. All award recipients qualify for a Grand Prize raffle drawing.

4. Supervision:

- We will routinely spot check the quality of our work to encourage our operators to take as many passes as necessary to do a great job.

5. Quality Assurance:

- We will return and re-sweep any complaint the next day without additional charges. This will encourage the operator to do a good job the first time around.

6. Our Reputation. Our Commitment to Customer Satisfaction:

- We value our reputation beyond all else. We will satisfy your requirements regardless of the cost.

QUALITY CONTROL PLAN – FORM P-3 RESPONSE

A. Who will supervise and review the work done under Parking Lot Sweeping Contract?

Gilbert Perez will supervise this contract. Gilbert oversees all of our crews working in Manhattan Beach, Hermosa Beach, Marina Del Ray and Malibu. Gilbert's cell phone number is (310) 415-3763.

B. What steps will you take to correct deficiencies reported by the Department or discovered by your reviewer?

We will send the driver back the next night to re-sweep at no additional charge.

If we find that an operator has repetitive complaints or problems, we will replace the operator.

C. If the Department complains that work has not been adequately performed and requests immediate correction, how soon will your firm be able to respond?

We can respond within two hours at the maximum and hopefully much sooner.

We will respond immediately.

We are well situated to provide this response.

D. How will you cover unexpected absences?

We have ample backup operators to cover absences.

We will have as many as six operators that will be trained to do this work.

E. If you have written quality control plan, inspection plan or written procedures for your staff, please attach them.

We will give the following instructions to our operators:

"It is our responsibility to clean these lots of glass, sand, gravel and trash of any kind.

QUALITY CONTROL PLAN – FORM P-3 RESPONSE

At times you will encounter heavy trash or sand. Please slow down through heavy debris.

Slowing down will increase your chances of cleaning properly.

If ever you do not clean things thoroughly with one pass, please take additional passes.

Our goal here is to eliminate complaints.

If we get a complaint we are going to send you back the next night. That will be expensive.

It is better that you do a good job the first time so we don't have the expense of sending you back.

If you have any questions about these instructions, feel free to speak to your supervisor, Gilbert Perez.

Thank you. Be careful out there."

DRAFT

The Board of Directors
CleanStreet, Inc.
Gardena, California

We have reviewed the accompanying balance sheets of CleanStreet, Inc. as of December 31, 2005 and 2004, and the related statements of income and retained earnings, and cash flows for the years then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of CleanStreet, Inc.

A review consists principally of inquiries of company personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, with the exception of the matter described in the following paragraph, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

As disclosed in Note 10, the Company has not performed a test to determine whether consolidation of variable interest entities is required under Financial Accounting Standards Board Interpretation No. 46R, *Consolidation of Variable Interest Entities – an interpretation of ARB 51*. Accounting principles generally accepted in the United States of America require the primary beneficiary of a variable interest entity to consolidate the entity and also require majority and significant variable interest investors to provide certain disclosures. The effects on the financial statements of the preceding practice are not reasonably determinable.

CLEANSTREET, INC.
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2005 and 2004

CleanStreet, Inc. (the "Company") is a California corporation primarily engaged in providing street and parking lot sweeping services in California.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounts receivable:

Accounts receivable are reported at the customers' outstanding balances less any allowance for doubtful accounts. Interest is not accrued on overdue accounts receivable.

Allowance for doubtful accounts:

The allowance for doubtful accounts on accounts receivable is charged to income in amounts sufficient to maintain the allowance for uncollectible accounts at a level management believes is adequate to cover any probable losses. Management determines the adequacy of the allowance based on historical write-off percentages and information collected from individual customers. Accounts receivable are charged off against the allowance when collectibility is determined to be permanently impaired.

Depreciation:

Depreciation is computed principally on straight-line and accelerated methods based on the estimated useful lives of the assets, generally as follows:

Machinery and equipment	5-10 years
Furniture and fixtures	5-7 years
Computer equipment	3-5 years

Grants:

The Company receives grants from the California Air Quality Management Board for the purchase of propane powered equipment. Due to the contingent nature regarding approval of grant requests, the grants are recorded in the year in which they are received.

(Continued)

See accompanying accountant's review report.

CLEANSTREET, INC.
NOTES TO FINANCIAL STATEMENTS (Continued)
For the years ended December 31, 2005 and 2004

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Long-lived assets:

The Company reviews for the impairment of long-lived assets and certain identifiable intangibles whenever events or changes in circumstances indicate that the carrying amount of any asset may not be recoverable. An impairment loss would be recognized when the estimated undiscounted future cash flows expected to result from the use of the asset and its eventual disposition is less than the carrying amount. If an impairment is indicated, the amount of the loss to be recorded is based on an estimate of the difference between the carrying amount and the fair value of the asset. Fair value is based upon discounted estimated cash flows expected to result from the use of the asset and its eventual disposition and other valuation methods.

S corporation election:

The Company and its stockholder have elected to treat corporate taxable income as income to its stockholder. Accordingly, federal and state income taxes are liabilities of the stockholder and not of the Company, except that California levies a 1.5% corporate tax on electing corporations.

Advertising costs:

Advertising costs are expensed in the period during which the costs are incurred. Advertising expenses for the years ended December 31, 2005 and 2004, amounted to approximately \$43,000 and \$45,000, respectively.

Reclassifications:

Certain items in prior financial statements are reclassified to conform to the current presentation.

NOTE 2: CONCENTRATIONS

Cash:

The Company maintains cash balances at three banks where amounts on deposit may be in excess of \$100,000 throughout the year. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$100,000.

Customers:

A majority of the Company's contracts are with municipal governments in California. Management believes that there is a remote possibility that these local governments will discontinue the out-sourcing of public services.

See accompanying accountant's review report.

NOTE 4: NOTE PAYABLE, BANK

During 2005, the Company entered into a credit agreement with a bank under which it may borrow up to \$600,000 due on demand. Interest is payable monthly at a rate equal to the bank's base rate, as defined in the agreement, plus 1.25% per annum. Borrowings under the credit agreement are collateralized by substantially all of the assets of the Company and are guaranteed by the Company's stockholder.

NOTE 6: ADVANCES TO STOCKHOLDER

NOTE 7: EMPLOYEE BENEFIT PLAN

The Company sponsors an employee benefit plan (the "Plan") for eligible employees. Eligibility begins after completion of 2,000 hours and one year of service. Under the Plan, the Company may contribute a discretionary amount to be held in trust and distributed in accordance with the provisions of the Plan. For the years ended December 31, 2005 and 2004, the Company did not make discretionary employer contributions.

NOTE 8: COMMITMENTS

The Company leases its facilities in Gardena, Riverside and Santa Clarita, California pursuant to agreements expiring through May 2008. The leases require additional payments for common area operating expenses. The Company leases its office facility from its stockholder on a month-to-month basis.

The Company also leases vehicles pursuant to agreements expiring through November 2009. Minimum annual rental payments are as follows:

<u>Year Ending</u> <u>December 31</u>

NOTE 9: RESTRICTED CASH

The Company maintains certificates of deposit with various banks as a security for performance of certain contracts with municipal governments.

NOTE 10: CONSOLIDATION OF VARIABLE INTEREST ENTITIES

In January 2003, the Financial Accounting Standards Board ("FASB") issued Interpretation No. 46, *Consolidation of Variable Interest Entities*, as superseded in December 2003 by FASB issued Interpretation No. 46R, *Consolidation of Variable Interest Entities – an interpretation of ARB 51*, ("FIN No. 46R"). FIN No. 46R requires the primary beneficiary of a variable interest entity ("VIE") to consolidate the entity and also requires majority and significant variable interest investors to provide certain disclosures. A VIE is an entity in which the equity investors do not have a controlling interest, equity investors participate in losses or residual interests of the entity on a basis that differs from its ownership interest, or the equity investment at risk is insufficient to finance the entity's activities without receiving additional subordinated financial support from the other parties. FIN No. 46R was effective for the Company starting January 1, 2005.

The Company has not performed tests to determine whether consolidation of VIE's is required under FIN No. 46R. The nature and amount of related party lease entered into by the Company is disclosed in Note 8.

The effects of this departure from accounting principles generally accepted in the United States of America on financial position and results of operations are not reasonably determinable.

See accompanying accountant's review report.

1. Absence of Any Conflict of Interest. The Proposer is aware of the provisions of Section 2.180.010 of the Los Angeles County Code and certifies that neither Proposer nor its officers, principals, partners or major shareholders are employees of either the County or another public agency for which the Board of Supervisors is the governing body or a former employee who participated in any way in the development of the Contract or its service specifications within 12 months of the submission of this Proposal.

Part I: Jury Service Program is Not Applicable to My Business

- My business does not meet the definition of "contractor," as defined in the Program, as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract itself will exceed \$50,000). 12. ADDITIONAL INFORMATION

CleanStreet provides a level of service that is superior for several reasons:

Equipment:

We will utilize Tymco 600 Air Sweepers to perform this contract.

This is a full-size sweeper that is extremely effective at removing debris and small PM 10 dust particles.

The Tymco 600 has a very large tank and as a consequence has tremendous suction. This suction will remove 100% of the debris and PM 10 particles.

Smaller sweepers that are less expensive to operate actually expel PM 10 particles into the air as exhaust from the sweeping mechanism.

Broom sweepers are not effective at sweeping PM 10 particles.

Noise Abatement:

Because the Tymco 600 Air Sweeper is so powerful it can run at a lower RPM and is quieter than a small sweeper.

We are expert at repairing and maintaining Tymco 600 Air Sweepers in optimal operating conditions.

Safety Record:
